

28 October 2020

Dear Parent/Carer,

CONTACT OF CONFIRMED CASE OF COVID-19 (YEAR 8)

Our COVID-secure strategy includes working with NHS Wales Test, Trace, Protect (TTP) to track everyone who has been in contact with a person who has tested positive for COVID-19 (Coronavirus).

A further case in Year 8 requires your child to extend their current self-isolation until Friday 6 November 2020. This period has been calculated from their date of last contact with another confirmed case. By identifying contacts and asking them to self-isolate, we will reduce the possible spread of COVID-19 from those contacts to their family, friends and the wider community. **Your child can return to school on Monday 9 November 2020 if they do not have any COVID-related symptoms.**

Please continue to follow the advice given to you in my previous letter, which instructed your child to self-isolate.

Should you have any queries, please do contact me directly by email at headteacher@stteilos.com.

With prayers and blessings,

Mr I Loynd
Headteacher
